Cardiology Care in the Heart of Our Community

Our Community Cardiology Service provides specialist care and advice for people dealing with cardiac symptoms.

How can we help you?

- Speak to your GP to see if your condition can be dealt with by a referral to the Community Cardiology Service.
- Available to anyone registered with a GP in Southport or Formby

“ Thorough, professional and friendly, in short, perfect. ”

(Patient feedback, March 2023)

Our Community Cardiology Service offers:

- A one-stop appointment; 97%* of all patients seen in the service were discharged following a single visit
- Expert care from our consultant cardiologist
- Get direct access to appropriate diagnostic tests:
 - ◇ Echocardiogram
 - ◇ Extended ECGs
 - ◇ 24-hour blood pressure (BP) monitoring

Fully accessible location at 107 Liverpool Road, Birkdale, Southport, PR8 4DB (the Family Surgery building)
